Save Money

How Can I Save Money With Estate Planning?

- You can reduce or eliminate your federal estate tax with estate planning.
- You can save on state inheritance tax.
- For family members with disabilities, you can protect government benefits.

Protect Assets

How Can I Protect Assets With Estate Planning?

Your assets do not have to be subject to claims of creditors.

- You can protect assets you leave to your heirs from bankruptcy, lawsuits, divorce settlement and other creditors.
- You can determine who will manage your assets if you become incapacitated.

Distribute Wealth

How Does Estate Planning Distribute Wealth?

- You can control who inherits your wealth.
- You can control when your heirs receive any distribution of assets.
- You can designate your own executors and trustees to administer your estate.
